

HOME COMING AT
CLEMSON COLLEGE

A Thousand Students Expected to Attend Gathering of Former Clemson Students.

Clemson College, July 20.—Approximately one thousand former students and graduates of Clemson College have already replied to their invitations, signifying their intention of being present for "Home Coming Week" the big reunion occasion which will take place at Clemson College from noon of August 27th, to noon of August 31st. It is planned to make this one of the greatest affairs of the kind ever held by any Southern college. The acceptances already received make it certain that the capacity of Clemson's large barracks will be taxed to accommodate those who come.

President W. M. Riggs is doing everything possible to have invitations reach every one of the six thousand men who have attended Clemson. Many invitations, however, have been returned unclaimed and it is desired that any former Clemson men who have not yet received invitations write to the president. It is the college's purpose to make "Home Coming Week" a memorable event in the lives of all who attend and it is desired that all old Clemsonites receive notice of the occasion.

The attendance will have to be limited to former students only, because of limited facilities. It will be impossible to take care of even the wives of those who are "coming back". The accommodations will be sufficient for only the alumni and ex-students themselves, so large will the number of these be.

A most enjoyable program is being arranged for the five days of "Home Coming Week." The details of this will be announced later. Especially attractive features will be prepared for Friday, Saturday and Sunday, the 28th, 29th and 30th, respectively.

The following list contains the names of all former Clemson men from Laurens county:

THE SECRET OF SUCCESS.

Genuine Merit Required to Win the People's Confidence.

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promise of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited, to those who are in need of it.

A prominent druggist says "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy that I know of has so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact that it fulfills almost every wish in overcoming kidney, liver and bladder diseases, corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by Parcel Post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention the Laurens weekly Advertiser.

LOSES LIFE IN SURF.

Miss Mamie Brown of Macon, Ga., Drowned While in Bathing on Sullivan's Island.

Charleston, July 17.—Miss Mamie Brown of Macon, Ga., was drowned in the surf at Sullivan's Island this morning about 11 o'clock, and her friend, Miss Lena Rankin, also of Macon, was all but drowned when rescued by Henry Raworth of Augusta, who, after dragging Miss Rankin to the shore, returned to the water almost exhausted and after a desperate and heroic struggle succeeded in rescuing the body of Miss Brown. No one was in the vicinity of the drowning at the time, which was near station No. 22, and the peril of the young women was not discovered until their screams for help attracted the attention of Mr. Raworth. He rushed in the surf without discarding his clothing and rescued the girls one at a time.

The girls were carried to the shore and in response to the alarm of distress an expert life saver, Capt. Coste, arrived and at once began the work of resuscitation. After several hours Miss Rankin was restored. Hopes for her recovery are entertained. All efforts to resuscitate Miss Brown proved fruitless.

Miss Brown was 25 years of age. She and her friend, Miss Rankin, came to the island several days ago for a sojourn of two weeks. They were staying at a boarding house near station No. 22.

Since their arrival the young women were accustomed to taking a dip in the surf every morning, and this morning they were sporting in the water without companions.

The body of Miss Brown was sent to Macon tonight.

Heart failure is now believed to have been the immediate cause of death.

BRIDGE TO LET.

Sealed bids will be received at the Supervisor's office at Laurens, S. C., until 12 o'clock M., of Wednesday the 5th day of August, 1914 for the erection of a bridge over Rabun creek at Mc Daniels Mill in Laurens county.

Bids to be accompanied by certified check of \$50.00 as guarantee that bidder will, if successful, close written contract and make satisfactory bond within ten days. The right is reserved to reject any or all bids. Filé bids with J. D. Meek clerk, plans on file prior to letting. Laurens, S. C. July 14, 1914. H. B. HUMBERT, Supervisor.
